

Vision Wheel Baja Nevada Race Information

Thank you for joining us for the 2022 Legacy Racing Series. Below are some general rules & guidelines to follow. Please refer to our Rulebook for information on classes as well as safety regulations and more details on competition regulations.

Registration

1. Please make sure someone from your team goes through Registration PRIOR to your vehicle going through Tech.
2. All drivers/riders and co-drivers/riders must come through registration.
3. Minors will need to have a parent or guardian present to sign insurance waivers, including a notarized form. We have a notary on staff but if you want to get it done beforehand to speed things up email us at info@legacyracing.net for a form.
4. Stop by the Contingency Table to fill out your forms and pick up any necessary decals.
5. Event T-shirts and membership hats will be located in the Registration room, make sure you pick them up when you register.
6. Late registration will be Friday Morning at the start line

Contingency & Tech Inspection

1. All Vehicles must go through Tech inspection!
2. You must off-load your vehicles in the designated parking lot (see Diagram).
3. Stop by the Racing Trax table to pick up your Tracker. It is mandatory for **ALL** classes. If you have not registered for your RacingTrax Unit please do so today!

Racer meeting

1. There will be **TWO meetings**. One for Motorcycles & Quads at 2pm. The Car, Truck, & UTV meeting will be at 6pm.
2. It is Mandatory to attend meeting for your classes. You are welcome to attend both. There must be at least one arm banded member of your team is present. We will call a random 15 names for each meeting. Meeting will NOT be online.

Communications

1. We will be using radio frequency 152.960
2. Please only use this frequency to listen to updates and report any emergencies. This is not for racer updates.
3. If you need assistance on finding your race vehicle or to report them being broke down, see the Pit Captain at any of the 16 pits or the Legacy Box Van at the Finish Line.
4. Helicopters must register with us prior to the event. Please email info@legacyracing.net for Helicopter Registration form.

Start

1. Please be on time to staging! Motorcycles & Quads is 3:15am. Car, Truck, UTV begins at 8:30am. Please see schedule of events for your specific time.
2. You are allowed to top off your race vehicle with fuel at the start line.
3. Camping is allowed at the Start Line

Race Course Information

1. Please stay on the marked course. Short cutting is not allowed and will result in a penalty.
2. Your Pit crew is not allowed to assist you on the race course. Please radio for a Legacy official and they will send someone out to assist you, whether it be a tow, fuel or parts.
3. Paved road crossings are a mandatory stop, 25mph speed zone for all race vehicles. Motorcycle & Quad have Seven (7) paved road crossings with one Underpass. Cars, Trucks, UTVs have Eight (8). All Vehicles will have Three (3) county paved road crossings that are not a mandatory stop.
4. If you get a flat tire, do NOT leave it in the desert! You will be penalized one hour if we find a flat that was intentionally left. Please make sure to mark all Tires, jacks, extinguishers etc., this will assist us in returning them to their proper homes if lost on course.
5. Course markings – Yellow is direction, Green is Turn Ahead, White – Wrong Way, Pink – hair pin, White – mile markers, Orange Metal signs – Extreme Danger, Yellow Metal – 90-degree turn-high speed- Reflective Tape for the 1st 100 miles – Directional – yellow tape, Wrongs – white tape, Mile Markers – green tape, Danger Ahead – blue tape, Danger – orange tape.
6. GPS Files will be **EMAILED** Monday, June 20. We will NOT be posting online. The email you used at Registration will be the email we will send them to. If you do not get the email, please email info@legacyracing.net with your race number.
7. There is no pre-running, anyone found pre-running **will** be penalized. Legacy Race Officials live in Beatty, Tonopah, Goldfield, Hawthorne, and Gabbs. You will not be able to pass through these areas without being noticed. Please respect the opportunity to race 650 miles in Nevada and not jeopardize the event for everyone by pre-running.

Pit stops

1. All driver changes must be in one of our designated 16 Pit stops.
2. Please make sure your crew cleans up their pit area including all Pit signs. As much as we would like to re-use your signs, we know they are expensive.
3. Speed limits in the Pits is 25 MPH, this is for your team's protection! Please follow the Speed limit! No stop at entrance of the pit, Must be doing 25 MPH at First 25MPH Sign to avoid a penalty.
4. Pit passes are not required for this event.
5. Powerlines – please watch for the powerlines at Pit 2, 6, 7 do not set up your radio antennas below them.
6. Please make sure to follow the pit closing times, found in the front of the Chasebook.
7. Please refer to our rulebook for all fueling rules & regulations. It is important to follow these guidelines!

Finish Line

1. This is a high-speed finish. You do not Stop until after you go through the scoring loop.
2. You will Stop at the Stop Sign past the Scoring Loop & Trailer. It's a Large RED sign that says "STOP"
3. Please remove your helmets before you head to the podium to talk to the announcer.
4. Please stick around for post tech if required for your class (6100, 6200, 3000, Class 10, Class 5, Turbo UTV, NA UTV, Stock 1, Stock 2, Stock Mod)
5. Awards will be at the Tonopah Convention Center Saturday June 25 at 6pm
