

# 4WP Desert Showdown Race Information

Thank you for joining us for the 2023 Legacy Racing Series. Below are some general rules & guidelines to follow. Please refer to our Rulebook for information on classes as well as safety regulations and more details on competition regulations.

## Registration

1. Please follow the schedule for when to register and take your vehicles through tech.
2. All drivers and co-drivers must come through registration.
3. Minors will need to have a parent or guardian present to sign insurance waivers, including a notarized form. We have a notary on staff but if you want to get it done beforehand to speed things up email us at [info@legacyracing.net](mailto:info@legacyracing.net) for form.
4. Stop by the Racing Trax table to pick up your Tracker for all classes.
5. Event T-shirts and membership hats will be located in the Registration room, make sure you pick them up when you register.
6. Late registration will be Saturday Morning at the Start line for Motorcycles & Quads. At the Pahrump Nugget at the Legacy Box Van for Cars, Trucks, UTVs.

## Contingency & Tech Inspection

1. Off-load behind Smith's Food & Drugs
2. Follow signs to and from Tech
3. Make sure your scoring transponder is on your vehicle and you have your suits & helmets.

## Racer meeting

1. There will be a Racer meeting at the Pahrump Nugget Ballroom at 6:30pm. We ask that at least one participant from each team attend.
2. If you have questions afterwards, please find an official after the meeting is over.

## Communications

1. We will be using radio frequency 152.960
2. Please only use this frequency to listen to updates and report any emergencies.
3. If you need assistance on finding your race vehicle or to report them being broke down, see the Pit Captains at any of the 5 pits.
4. Helicopters must register with us prior to the event. Please email [info@legacyracing.net](mailto:info@legacyracing.net) for Helicopter form.

## Start

1. Please be on time to staging!
2. Your crew can top you off with fuel at start but we strongly suggest they head to Pit #1 before you start to ensure they arrive before race vehicle.

## Race Course Information

1. Please stay on the marked course. Short cutting is not allowed and will result in a penalty.
2. Your Pit crew is not allowed to assist you on the race course. Please radio for a Legacy official and they will send someone out to assist you, whether it be a tow, fuel or parts.
3. There are four paved road crossings where Race vehicles will have to STOP. There is also three county road crossings where Race vehicles will NOT have to stop.
4. If you get a flat tire, do NOT leave it in the desert! You will be penalized one hour if we find a flat that was intentionally left.
5. Course markings – Yellow is direction, Green is Turn Ahead, White – Wrong Way, Pink – hair pin, White – mile markers, Orange Metal signs – Extreme Danger, Yellow Metal – 90-degree turn-high speed
6. GPS Files will be posted Monday, January 23, 2023
7. There is no pre-running outside of our Pre-Run-on Thursday, January 26<sup>th</sup>.

## Pit stops

1. All driver changes must be in one of our designated 5 Pit stops.
2. Please make sure your crew cleans up their pit area including all Pit signs. As much as we would like to re-use your signs, we know they are expensive.
3. Speed limits in the Pits is 25 MPH, this is for your team's protection! Please follow the Speed limit! No stop at entrance of the pit, Must be doing 25 MPH at First 25 MPH Sign to avoid a penalty.
4. Pit passes are not required for this event.
5. Powerlines – please watch for the powerlines at Pit 4, do not set up your radio antennas below.
6. Please refer to our rulebook for all fueling rules & regulations. It is important to follow these guidelines!
7. Please make sure to follow the pit closing times listed below and in the Chase Book.
8. Pit Closing Times – MCQ/CTU
  - Pit #1 – 8:15 AM / 3:00 PM
  - Pit #2 – 9:45 AM / 4:30 PM
  - Pit #3 – 10:45 AM / 5:30 PM
  - Pit #4 – 12:45 PM / 7:30 PM
  - Pit #5 – 1:45 PM / 8:30 PM
  - Finish Line – 4:30 PM / 10:30 PM

## Finish Line

1. This is a high-speed finish. You do not Stop until after you go through the scoring loop.
2. You will Stop at the Stop Sign past the Scoring Loop & Trailer. It's a Large RED sign that says "STOP"
3. Please remove your helmets before you head to the podium to talk to the announcer.
4. Please stick around for post tech if required for your class (6100, 6200, 3000, Class 10, Class 5, Class 7, All UTV Classes)
5. After you are done please load up your vehicle.
